## Grayrigg's Aims to Improve Sport Provision 2016-17

1. Improve staff ability to deliver a range of sports activities during curriculum time.
2. Improve range of outdoor sports available where children can compete with selves
3. Enhance links to locally available clubs to increase out of school sports engagement.
4. Further deliver a range of free after school physical activity clubs as there are no primary age clubs available in Grayrigg.
5. Support continuation of good practice with reduced numbers.

For the academic year 2016-17 we were awarded £8105 Sports Premium.

We spent £3200.03 of this in the 2016/17 financial year and £4904.97 in the 2017/18 financial year.

Action	Links to aim	Immediate Impact	Long Term Impact	Evaluation
Introduce Y2 + sports club with Secondary School PE teacher as coach - promote more team sports and increase uptake particularly with Y2 + boys	3 & 4	100% of children participating in at least 1 hour of extracurricular sporting activity. 60% of children participating in 2 hours of extracurricular sporting activity.	Increased participation in extracurricular sport and transition into extracurricular activities at secondary school and out of school.	The impact increased but we need to relaunch our after school club and create an award system for participation as it is being used more for after school care. We have added in an additional after school care - look at club pupil agreements and loyalty schemes for next year.
Brewery Youth Dance @grayrigg change club to Year 1 up to avoid children trailing off.	3 & 4	47% of children attending at least 3 hours of extracurricular sporting activity.	The aim is to ensure all children participate in some extracurricular activity with at least 80% participating in an additional 3 hours outside of curriculum PE.	
Revisit climbing wall to ensure progression in these skills (at start of year to develop the PB attitude)	1 & 2	Children participating to show progress from previous years climbing. Skills of endurance, personal challenge, problem solving	Climbing wall to be planned into the long term planning, children may attend climbing wall clubs.	This is a popular addition to the standard curriculum and repeating it has resulted in progression however to fulfil the targets set we need to explore other additions for next year instead. E.g. skiing with links to Kendal Ski Sport Club.

		physical strength, agility, stamina, team work. Application of belaying skills with Oaks.		
Enter in competitive events at least half termly in KS2 and termly in KS1.	2	<b>Autumn Term</b> Cross Country <b>Spring Term</b> Brewery Dance Platform Key step-gymnastics <b>Summer Term</b> Sports Hall Athletics Small Schools Cricket Festival Attend inter school KS1 sports day with KS1 Lacrosse competition	Children will celebrate success and learn to lose with good sportsmanship. All children will have competed in sports. Increased confidence to join clubs at secondary school (liaise with QKS)	Children are not scared to compete. All children in Y1-4 have participated in at least 3 events, children in years 5 and 6 have competed in 4.
Support continuation of whole school swimming with additional qualified ASA coaches.	5	All children gain swimming experience. 100% children to achieve end of KS2 standard. 80% to achieve this by end of Year 4. 100% of children to be able to swim 20m unaided by end of KS1.	Eradicate fear of water by the time they are in KS2, all children meeting at least the minimum level required for end of KS2. Increased participation in swimming club activities beyond primary age.	Achieved standard set, can this be rolled out younger.
Introduce lacrosse with high quality coaching (GB rep)	1 & 2	All children to participate in a new sport. All children in UKS2 to have opportunity to participate in comp. Children inspired by GB coach.	Staff trained to deliver pop lacrosse.	
Taster for Skiing	1, 2 & 3	All children to have tried a new sport. Staff to evaluate whether this is a worthwhile addition to our PE curriculum.	Children to join the Kendal Ski Club. Future opportunities to compete.	A full unit to be added next year to allow for progression - excellent for stamina as well as skill.
